

ALAINA

B.Tech Computer Science Student

alainaismayil@gmail.com • +91 9037387280 • linkedin.com/in/alaina1 • github.com/Alaina-1
Zahra Thuvvakkode, Chemancheri, Kozhikode 673304

Summary

Motivated Computer Science student with a solid foundation in programming and software development. Skilled in creating user-focused digital solutions and solving technical problems through academic projects and collaborative work. Seeking a System Engineer Trainee role to apply technical abilities, gain practical experience, and contribute to meaningful engineering tasks.

Technical Skills

Programming: C, Python
Web: HTML, CSS, Bootstrap
Database: MySQL
Core CS: OS, DBMS, OOP, DSA, Computer Networks
UI/UX: Figma, Canva
Tools: GitHub, VS Code, Overleaf, Google Colab

Professional Skills

- Learning Agility
- Debugging
- Collaboration
- Teamwork
- Effective Communication
- Time Management

Areas of Interest

- Web Development
- Software Engineering
- Problem Solving
- Front-End Development

Certifications

- Full Stack Web Development — NIT (2023).
- AI Agent Architect — IBM SkillsBuild (2025).

Languages

English, Malayalam

Education

B.Tech in Computer Science and Engineering	2022 – 2026
Amal Jyothi College of Engineering (Autonomous), Kottayam	CGPA: 8.13
Higher Secondary Education	2019 – 2021
Thiruvangoor HSS, Kozhikode	97.17%
Secondary Education	2018 – 2019
Ishaath Public School, Kozhikode	90.4%

Projects

HEALTHLINK

Secure, patient-controlled medical record sharing using blockchain and biometric access, enabling instant data availability for hospitals and emergency care.

GREEN GATHER

A platform that supports efficient plastic waste collection by allowing residents to schedule pickups and track collection activity in their area.

AYURON

COPD screening and severity assessment using lung sounds, with personalized herbal support, breathing practices, and lifestyle guidance.

Achievements

- Secured INR 25,000 funding from Green Gather.
- Selected at YIP 7.0 and secured INR 25,000 for HealthLink.
- Selected for Kerala Startup Mission Bootcamp (Green Gather, 2024).
- Presented Green Gather at ETIS 2025 (International Conference).
- Presented HealthLink at NACORE 2025, AJCE.
- Secured INR 25,000 funding for Plastic Smoke Sensor (YIP 6.0).
- Selected for Internship at The Nexus Project, June 2025.
